

## **State Ammunition Shipping Restrictions:**

- **California:** Ammo shipments must be sent to an FFL unless the recipient has an FFL03 and a COE
- **Connecticut:** FOID required for ammo purchases; no dropship ammo
- **Illinois:** FOID card required for ammunition purchases
- **Massachusetts:** State-issued ID and FOID are required for ammunition shipments
- **New Jersey:** FOID and state ID required for ammo purchases; no dropship ammo
- **New York:** Ammo shipments must be sent to an FFL, or the customer must provide a valid state-issued ID and can only ship to the address on that ID
- **Rhode Island:** License required for purchase of ammunition; resident must be 21 years or older and possess a valid pistol or revolver safety certificate
- **Washington D.C.:** No sales of ammo or projectiles (Federal District)

*We ship to all other states and there are no specific ammunition restrictions.*

*Please note that restrictions in specific states are constantly changing and we will update as information is published and becomes available. For the states listed above that currently have restrictions/requirements in place, please be aware that shipping may be delayed.*
